Other Professional Experience	Lieutenant Colonel, United States Army Medical Service Corps, 2002 - 2023 Chief Financial Officer Brooke Army Medical Center 2021 - 2023 San Antonio, TX Responsible for financial performance of the Department of Defense’s (DoD) largest academic medical center, a 400-bed level 1 trauma center

- Actively managed and analyzed revenue cycle operations resulting in a 10% increase in collections.
- Developed a predictive model of collections that was presented to member of Congress.
- Applied data analytics to hiring and manning process in order to lower personnel costs and reduce turnover

Chief Financial Officer | Walter Reed Army Institute of Research

2014-2015 | Forest Glen, MD

- Responsible for resourcing strategy and financial performance of DoD's largest biomedical research laboratory with 10 different funding-streams and multiple industry partners
- Designed and implemented an activity-based costing system that aligned departmental costs with overhead charges, increasing the proportion of funds available for science
- Developed a complex business case that lead to government funding for a new bio-production facility
- Built relationships with and taught financial management best practices to senior scientists resulting in improved financial performance

Chief of Budget Division | US Army Medical Research & Materiel Command

2012-2014 | Fort Detrick, MD

- Responsible for all aspects of budget management & execution for Army medical research, development, and acquisitions
- Creatively lead the organization through an almost 8% reduction in funding due to Congressionally-mandated cuts known as "sequestration"

Multiple Operational Positions | 1st Cavalry Division

2002-2010 | Fort Hood, TX & Iraq

- Served in a variety of leadership positions from Platoon Leader to Company Commander
- Deployed three times to Iraq, twice earning the bronze-star medal
- Lead partnership efforts with the local Iraqi-Army resulting in opening a new Iraqi Army medical clinic
